Sarah:

The UHRC reported that once an RV has no tires, it is considered a bulky item. Can you please have it scheduled for dismantling and removal? The tires were taken over the break. Please advise if we can schedule it for removal in the coming weeks.

Thank you,

Gaby

Hello Cassandra,

I hope you had a happy holiday!

My name is Ashley Lozada and I am the Constituent Services Deputy for the city of Watts. I have received your email showing concern about the RV abandoned in the alley behind your home. I am sorry to hear it has been a hassle for you to be getting in and out of your home, no one should have to go through that type of struggle. I have CC'd officer Ybarra, who is the Senior Lead Officer of your area. Maybe he can give us an update as to where we are with the removal of the RV, as I know he has been working on this diligently. Together we hope to help you with this issue, thank you so much for your patience.

Warmly,

--
